St. Andrew's Young People Enact Pageant

Public Invited to Attend Presentation Sunday Night

Sunday evening, March 26, at the regular hour of the evening service, St. Andrew's Young People's Society will present a Biblical pageant, "The Annunciation," in the church. The pageant is in three parts and all of the costumes worn will be traditional and of great beauty.

The first part will exemplify the presentation of the child Samuel in the Temple. Hannah, the wife of Elkanah, being childless goes into the temple to pray that she may have offspring, and Eli, the high priest, seeing her at prayer, blesses her and asks God to answer her prayer. Hannah makes a vow that should God give her a "man child" she will "Give him unto the Lord all the days of his life." God answers Hannah's prayer and we see her keeping her vow as she brings the young child Samuel to Eli the priest to minister unto the Lord forever. The scene closes as Hannah leaves the temple with her heart glad that she may have offspring, and she has the Lord but heavy with the mother's love over the separation from her loved one.

The second part will exemplify the annunciation of the Blessed Virgin Mary. Blessed Mary is at prayer when the Angel Gabriel appears before her to tell her that she is to become the mother of Jesus. This beautiful scene closes with the singing of the "Magnificat," the great song of Blessed Mary, which has come down to us through the ages.

The third and last part exemplify the widow's mite. In this scene we see the rich man coming into the temple with all the pomp of his station in life, casting his money in the treasury, to be seen of men; in contrast we see the poor widow coming in humbly, casting in her two mites which was all that she had, even her living.

Not one word is spoken, the words of Holy Scripture are read by a reader while the various scenes are produced. It is not the intention of the Young People's Society to produce a "play" but through the medium of the eye to impress upon the congregation the great spiritual truths of these three Biblical episodes.

An invitation is extended to all to attend this service on Sunday night at 7:30 o'clock. All seats are free; everybody welcome.

Special Sunday Evening Service

The evening service, at Central church next Sunday will be under the auspices of the Men's Brotherhood. A group of young people from Redondo Beach will supply the evening program. Vocal and instrumental musical numbers will be given, and also inspirational addresses by the young people.

The public is cordially invited to attend this pleasing evening program next Sunday evening at 7:30 o'clock at Central church.

FIRST BAPTIST CHURCH

Rev. John B. Speed, minister.
 9:45 a. m., Sunday school. Dr. H. G. Mitts, general superintendent. Classes for all ages.
 11:00 a. m., divine worship. Subject, "New Things," by the pastor. Special music arranged by our musical director, W. H. Tolson. It has been good and getting better all the time.

6:30 p. m., B. Y. P. U. assembly and later the three groups meet in their respective places. Mrs. A. B. Craig, director.

7:30 p. m., song and praise service with special music. The pastor will speak on the theme, "The Best Name."

7:50 p. m., Friday, March 31, is the annual meeting of the church. Election of officers. After reports and other business, Dr. Woodberry, secretary of our missionary work in Southern California, will speak. Then a social time in the rooms below.

Vets Make Poppies For Memorial Day

Employment for thousands of non-compensated World war veterans is being provided through the making of red paper poppies for the Legion Auxillary's memorial poppy sale, held in May.

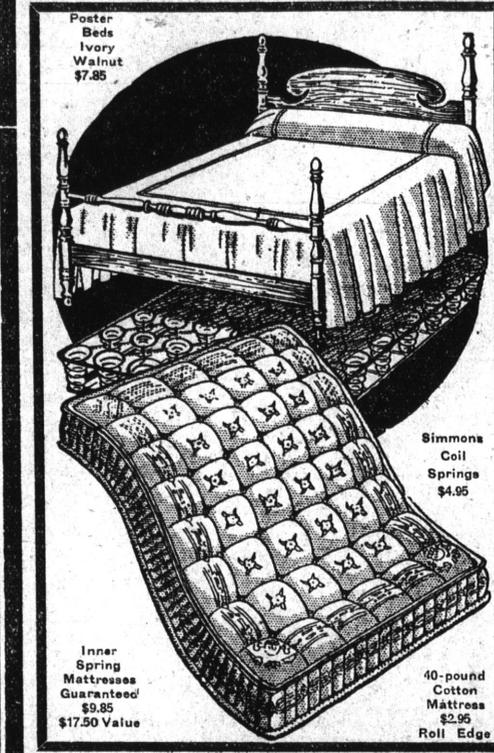

The poppy work is now going forward in 52 government hospitals and convalescent workrooms maintained by the auxiliary in 34 states. Hundreds of thousands of the little red paper flowers have already been completed and more than ten million are expected to be made before the work closes.

Poppies for the local sale are being made at Sawtelle and San Fernando hospitals. Veterans are given three cents for each poppy they make. Auxillary and Junior Auxillary members of Torrance unit will sell poppies here on May 27th.

STAR FURNITURE FOR VALUES

Committee Will Pick Officers For Relief Assn.

Meeting of Voters League to Be Held Tomorrow Night

LOMITA.—L. E. Merchant, of the Hynes-Clearwater unit of the Unemployed Council, was the speaker at the meeting of the Voters' League held last Friday night. The debate between Mr. Todd of Long Beach and two representatives of the unemployed council did not take place.

A group of 11 members was named to nominate the officers who will take charge of the Relief Association recently formed in Lomita, and these names will be presented to the league at the next meeting to be held tomorrow night at the V. F. W. hall. Owing to damage done by the quake to the building which had been selected as headquarters for the association, no move has been made to get it ready for the purpose. The association will be compelled to wait until repairs are made, or if this is not done to select another building.

Cash Allocated For Improvement of Lomita Blvd.

A total of \$26,262.45 was made available for street improvement projects in the first, fourth and fifth supervisory districts by action of the board of supervisors this week.

The sum of \$6000 was made available for improvement of Overhill drive from Slauson to La Brea avenues by cancelling \$6000 left over from the allocation for the improvement of, Vermont and Amaranth avenues.

Another \$6000 was set up for the improvement of Lomita boulevard between Figueroa street and Normandie avenue. For Atlantic avenue \$1074 was set up, the actual allocation to be made later. The balance of the \$26,262 was from the fifth district.

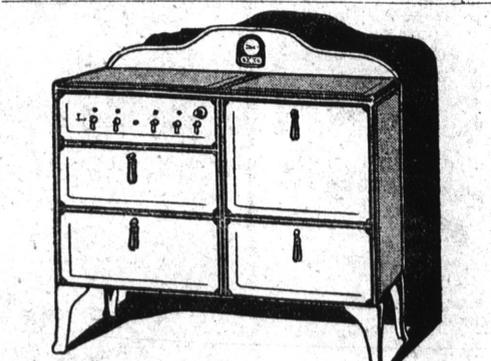

The sum of \$16,100 left over from the allocation for the improvement of Del Amo street south of Compton was transferred back into the general road fund to be reallocated for the above projects.

OPERATION
 Margaret Brown, daughter of Mr. and Mrs. Val Brown, of Lomita, was able to return home Monday, following an operation for the removal of tonsils and adenoids.
